SALON ETIQUETTE

At All U Beauty we strive to make your experience as pleasant as possible, whether your treatment is an eyebrow wax or a relaxing massage.

Our aim is to provide you with exceptional customer service and treatments; please help us maintain our excellent service by providing us with the following small courtesies.

APPOINTMENTS

If you are running late, we will try to accommodate you the best we can, however we may not be able to perform the full service, and you will be charged the full fee.

For Facials or new clients we recommend arriving 5 minutes prior to your appointment. This way if forms need to be filled out or you need to use the bathroom this will not cut into your treatment time.

Please turn your mobile phone onto silent, so as not to disturb our tranquil environment.

BOOKING POLICY

All U Beauty have a Booking Policy designed to protect not only our business' bottom line and in turn, our affordability, but also to keep things fair for all clients.

No-shows and last minute cancellations enormously disadvantage our business. They also mean that other clients cannot book those time slots with us.

Therefore we hope that you will appreciate the importance of our Booking and Cancellation Policy.

A \$20 deposit is required to secure bookings less than 1 hour in duration and a \$50 deposit is required to secure bookings greater than one hour in duration.

We understand that sometimes you may need to change your booking. We kindly request 24 hours notice so that we can offer that time slot to another client. Your deposit will be held for your next booking, or refunded. However, if you don't provide us with 24 hours notice or you fail to turn up for your appointment, you may send a friend or family member in your place, or your deposit will be forfeited.

We cannot accept messages left on Sundays or public holidays as sufficient notice, as we will not have enough time to try to rebook your time slot.

Thank you for your understanding.

Spray Tans

Walk in white, walk out brown. You can choose between a light, medium or dark tan. Our tan develops in 2 hours, leaving a beautiful natural streak-free colour.

This is a safe and effective way of tanning without being exposed to the harmful rays of the sun.
